*Remember me when I am gone away,  
Gone far away into the silent land.  
When you can no more hold me by the hand.*

# REMEMBER.

*Street,  
the best place for thuggery,  
Where everyone is angry.  
In the street,  
If you sit with one for a while  
I bet you will lose your smile.*

# Although I Wish

Javob Folder  
December 20, 2011

All I got is this bag Tattered and so frayed  
One pair of socks to call my own  
No place for my head to lay.

Beg for money to buy my food  
No fork or knife, man this is crude  
I wish I knew what I could do  
I should slam a six of booze.

People passing in fine business suits  
As if I am not here  
“I am a man!” I want to shout  
This life is hard to bare.

There is no job to be had  
So I sit and hope for better things  
I organize my tattered bag  
Whatever it takes to not feel sad.

The sun is setting it is night  
My fight has just begun  
I pray I won't freeze before it's through  
Although I wish my life was done.
